

Fuel Storage: Your Partner in Fuel System Solutions

*Quality workmanship,
reliable service. Always.*

Fuel Storage was founded in 2013 by brothers Regan and Lucin McFall with the goal of providing high-quality, New Zealand made fuel tanks and reliable fuel equipment repair and maintenance services.

Today, as New Zealand's leading retail and commercial fuel service and maintenance provider, we are dedicated to delivering superior service and workmanship to businesses nationwide. With skilled service technicians located throughout the country, you can count on us for timely and efficient services.

Our Services – Comprehensive Fuel System Solutions

We offer a comprehensive range of services customised to cater to the diverse needs of our customers.

Fuel System Repairs:

Quick and effective repairs to minimise downtime and optimise performance.

Routine Maintenance:

Regular services to keep your fuel systems running smoothly and prevent costly breakdowns. Including certified Dispenser Meter Calibration (TMU) for accurate reconciliation.

Emergency Services:

24/7 repair services to address urgent issues and get your operations back on track.

System Upgrades:

Enhance your fuel systems with modern technology to boost efficiency and reliability. Our advanced fuel management solutions help monitor usage, optimise fuel efficiency, and reduce costs.

Compliance Checks:

Ensure your fuel systems adhere to all regulatory requirements and safety standards.

Manufacturing:

As New Zealand's largest manufacturer of 100% locally-made fuel tanks, we cater to various sectors including rural, commercial, transport, and industrial.

Boiler and Generator Installations:

Fuel Storage are experts in connecting bulk diesel tanks to generators and boilers, ensuring full compliance with NZ regulations.

24/7 Breakdown Services

We are available whenever you need us, 24/7. Contact our tech team anytime to ensure your business keeps running smoothly.

Customer Satisfaction:

Our commitment to exceeding your expectations on every job.

Why Choose Us?

Nationwide Coverage:

With technicians across New Zealand, prompt and reliable service is guaranteed.

Experienced Technicians:

Our team comprises highly skilled professionals specialising in fuel system repair and maintenance.

Quality Workmanship:

We use the highest-quality parts and equipment for durable and trustworthy repairs.

Safety First:

Prioritising safety in all our services to safeguard both our team and your equipment.

Our Commitment

Fuel Storage understands the importance of keeping your fuel systems in prime condition. Our mission is to deliver superior service that ensures the safe and efficient operation of your systems. We stand by our work and are dedicated to achieving the best outcomes for our customers.
