

Fuel Storage

Comprehensive Fuel
System Solutions for
Your Business

Our Story Fueling New Zealand's Future

Founded in 2013 by brothers Regan and Lucin McFall, Fuel Storage Limited was born out of a recognised need for top-quality, New Zealand-made fuel tanks and dependable repair and maintenance services. Combining their expertise, they established a Kiwi company dedicated to quality workmanship, outstanding customer service, and competitive pricing.

New Zealand's Leading Fuel Service Provider: we are the premier choice for retail and commercial fuel service and maintenance. Our experienced technicians, located right across the country, deliver prompt, efficient service to fuel stations nationwide. Committed to quality and reliability, we are the trusted choice for all fuel dispensing system repairs and maintenance.

Expert services you can rely on

Preventative Maintenance Ensuring Peak Performance:

-  **Dispenser and Pump Calibration (TMU):** ensure accurate performance with regular checks.
-  **Preventative Maintenance:** regular servicing to prevent costly breakdowns.
-  **Electrical Re-Inspection:** obtain certificates of re-inspection for hazardous zone equipment.
-  **Diesel Sampling and Testing:** monitor fuel quality and water content.
-  **Interceptor & Drainage Cleaning:** arrange thorough cleaning services.

Fast Repairs For Any Issue:

-  **On-site Diagnostics and Repair:** rapid, efficient solutions for any issue.
-  **Component Replacement:** quick replacement of faulty parts.
-  **24/7 Emergency Repair Service:** always available when you need us.

Upgrade and Installations:

-  **New Fuel Pump Installations:** enhance your fuel station with the latest technology.
-  **System Upgrades:** improve efficiency with updated systems.
-  **Regulatory Compliance:** ensure adherence to industry standards and regulations.

Why Fuel Storage?

Experience the difference

Comprehensive Fuel Tank Maintenance:

-  **Tank Cleaning and Maintenance:** keep your fuel storage tanks in optimal condition.
-  **Pressure Testing:** verify tank and line integrity.
-  **Tank Replacement and Upgrades:** modernise your fuel storage solutions.

Beyond Fuel Systems:

-  **Car Wash Repair:** reliable service for your car wash systems.

Our experienced technicians are certified professionals committed to delivering the highest quality of service. We pride ourselves on our fast response time, minimising downtime to keep your operations running smoothly. With a strong focus on safety and compliance, we adhere to all safety regulations and industry standards. Our goal is to ensure customer satisfaction by providing reliable and efficient service that exceeds your expectations.
